L.E. SNIPER OPERATIONS I (50 HOURS)
APRIL 30 – MAY 4, 2018
BRTC-LETA Pocahontas, AR

This course is designed for law enforcement officers that are assigned to the position of SWAT Sniper/Precision Marksman/Designated Marksman. It is a physically and mentally demanding training course that requires officers demonstrate proficiency on the CLEST-required course-of-fire, written test and various practical exercises.

Officers should be prepared to take the American Sniper Association Functional Fitness Test during the course. Officers will be given 2 chances to fire the CLEST-required course-of-fire or they will not pass the course.

Gear Requirements

- Scoped bolt-action or semi-automatic rifle capable of shooting a 1-inch group at 100 yards (rifle sling and bipod required, semi-autos require at least 3 mags)
- Shooting bags and mat for prone work
- Backpack for carrying all gear
- Hydration system/canteens/Nalgene bottles
- Camouflage uniforms (2) with long sleeves
- Gloves
- Camo "boonie"-style hat
- Eye and ear protection
- Body armor
- Load-bearing gear (vest, chest rig, belt rig, etc.)
- Duty pistol and holster
- Flashlight w/spare batteries
- Bug spray/sunscreen
- Personal meds/First aid kit
- Knife or multi-tool
- 550 cord
- Wet-weather gear
- Note taking materials and thumb drive storage device
- Gallon-size ziplock bags (3-4)
- Contractor-grade trash bags (2)
- Snacks
- Cleaning kit/weapon maintenance gear
- Camo face paint or mask
- Good boots/spare socks
- Binoculars or spotting scope
- Gas mask
- Portable radio (if AWINS capable – has MAC channels)

Ammo: we will provide up to 400 practice rounds of match grade .308 Remington 168 grain BTHP. If an officer wishes to shoot their duty ammo and/or another caliber, they will be responsible for providing their own ammo.

Instructor/Point-of-Contact: Mark Mosier 870-248-4191 mark.mosier@blackrivertech.edu
