

# Freshman Assessment and Placement

The Arkansas State Board of Higher Education Freshman Assessment and Placement program prescribes statewide minimum standards to decide if entering freshmen should be in college math and English courses, or in academic transition courses in math, English, and reading. At BRTC, students whose scores indicate that they will be placed in academic transition programs must enroll in, and satisfactorily complete, those programs in their first academic year, except for reading, which must be taken and satisfactorily completed in the first semester.

ASSET, ACT, COMPASS, and SAT scores will be accepted from other accredited institutions. BRTC provides a list of COMPASS testing dates, times and locations for each semester of the school year, at both the Pocahontas and Paragould campuses. This list may be found online at [www.blackriveritech.edu](http://www.blackriveritech.edu) or by calling 1-870-248-4000. Any student who cannot attend one of the testing dates may call 1-870-248-4000, ext. 4011 or ext. 4014 (Pocahontas campus) or 1-870-239-0969, ext. 116 (Paragould campus) to schedule an appointment. Test scores that are over five years old cannot be used for enrollment purposes.

The following standards apply to all admitted, first-time freshmen, or transfer students seeking enrollment in any program at BRTC. COMPASS practice tests can be found online at [www.compasstestquestions.com](http://www.compasstestquestions.com).
