

CAMPUS CONNECT LOGIN

Student ID: This will be your social security number **without** dashes. EX. 111223333

PIN: 1111 (You will have the option to change your PIN once logged into Campus Connect.)

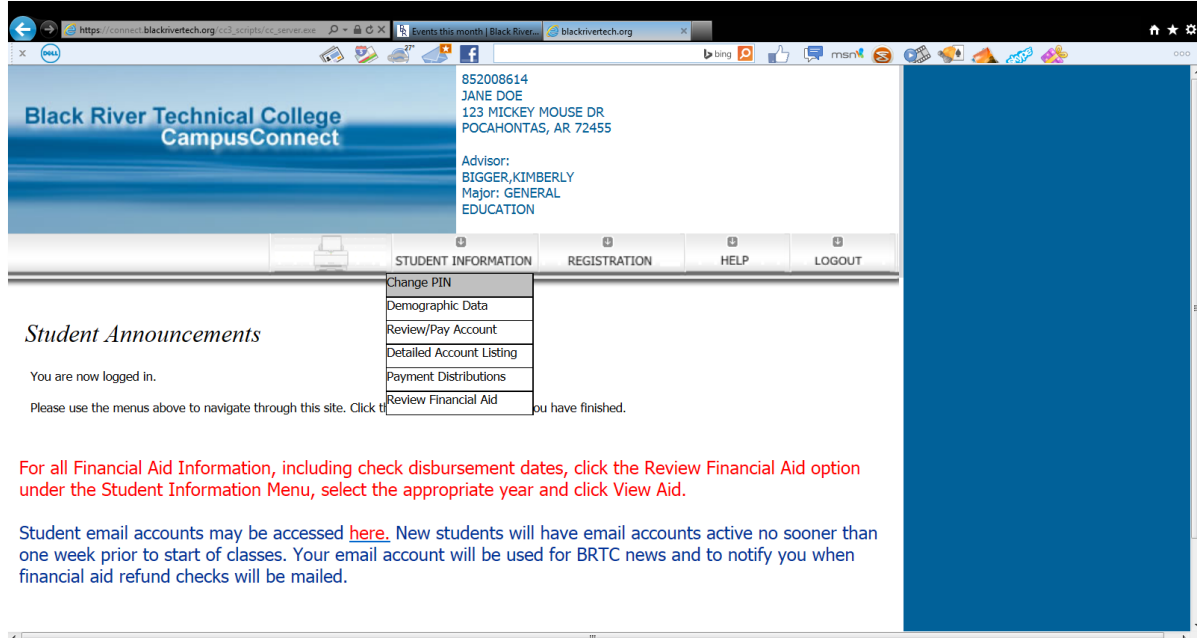

***The first time you log into Campus Connect, you will need to answer a series of questions. The Federal Government requires us to collect this information.

***At the top of the Campus Connect screen, you will see your demographic data, your Student ID, who your advisor is, and what major you are seeking.

CHANGING PIN

1. Go to the Student Information Tab.
2. Choose Change PIN.

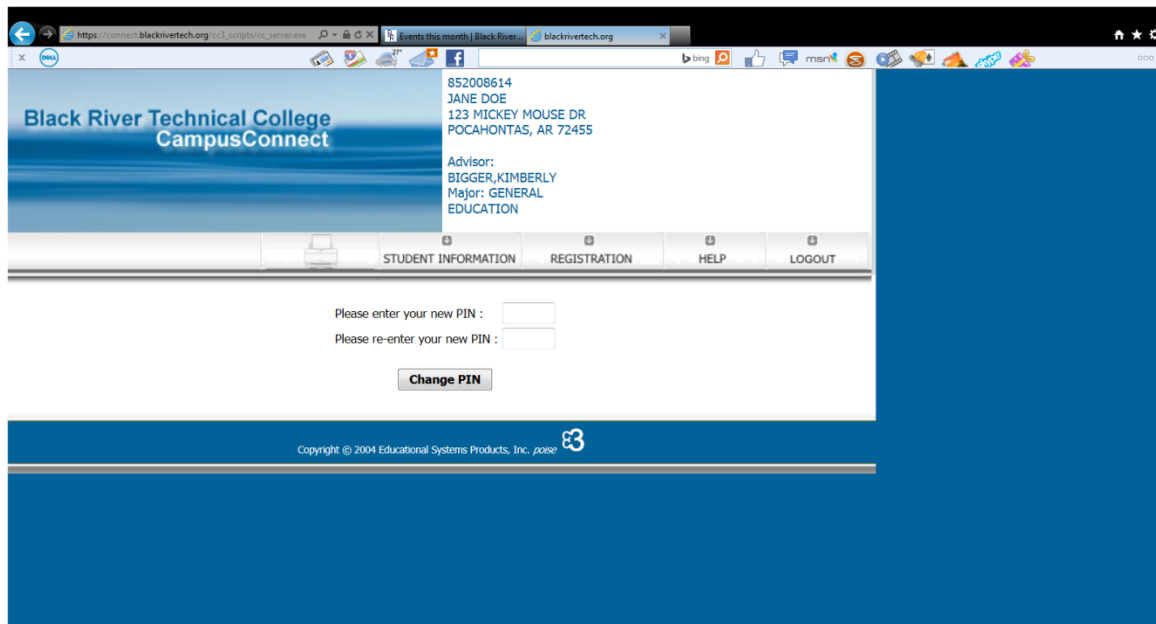

The screenshot shows the Black River Technical College CampusConnect website. The user is logged in as JANE DOE (ID: 852008614) with advisor BIGGER, KIMBERLY. The 'STUDENT INFORMATION' menu is open, and 'Change PIN' is selected. Other menu items include Demographic Data, Review/Pay Account, Detailed Account Listing, Payment Distributions, and Review Financial Aid. The page also displays 'Student Announcements' and a navigation bar with 'STUDENT INFORMATION', 'REGISTRATION', 'HELP', and 'LOGOUT'.

For all Financial Aid Information, including check disbursement dates, click the Review Financial Aid option under the Student Information Menu, select the appropriate year and click View Aid.

Student email accounts may be accessed [here](#). New students will have email accounts active no sooner than one week prior to start of classes. Your email account will be used for BRTC news and to notify you when financial aid refund checks will be mailed.

3. You will see two boxes. In the first box enter your new PIN. Re-enter the PIN in the second box.

The screenshot shows the 'Change PIN' form on the Black River Technical College CampusConnect website. The form contains two input fields: 'Please enter your new PIN :' and 'Please re-enter your new PIN :'. Below the fields is a 'Change PIN' button. The user's profile information and navigation bar are visible at the top of the page.

4. Click Change PIN.
